## **Student Learning Outcomes/Objectives**

- After successfully completing this course, the student will be able to:
  1. Explain the role of scarcity, specialization, opportunity cost, and marginal analysis in economic decision-making.
  2. Understand the basic law of supply and demand and analyze the determinants of both shifts in supply and demand.
  3. Measure and define GDP, inflation, and unemployment.
  4. Identify the phases of the business cycle.
  5. Define the role of money and understand the concept of creation of money, money multiplier, and the role of the Federal Reserve System in the creation of money and the banking system.
  6. Define economic growth and resources involved in production and productivity.
  7. Understand and construct aggregate demand and aggregate supply and long-run equilibrium. Explain macroeconomic policies using both fiscal policy and monetary policies reaching economic equilibrium during a recession or inflationary period. Analyze concepts such as Marginal Propensity to Consume (MPC) and spending multiplier along with crowding out in relation to the shift of the aggregate demand models.
  8. Analyze Phillips Curve in connection to the shift in both aggregate supply and aggregate demand.
  9. Analyze and understand the mechanics of international trade and exchange market.

## **Instructional Approach and Methods**

1. Reading textbook
2. Participation

3. Writing and posting video summary
4. Homework assignments
5. Exams

## Assessment, Evaluation and Testing Procedures

The assessment for this course consists of weekly homework assignments, class participation, weekly quizzes, 3 tests and a final comprehensive exam.

## Grading Scale

A	90-100%
B	80-89%
C	70-79%
D	60-69
F	Below 60%

## Assignments

Students are expected to follow the directions given for each week's assignment on eLearn.

The grades are weighted and the weight of the assignments is as follows:

Participation	10%
Homework Assignments	15%
Quizzes	20%
3 Tests	45%
Final Comprehensive Exam (covers all assigned chapters)	10%
<b>Total</b>	<b>100%</b>

Homework assignments - Fourteen assignments are graded automatically and have three attempts for each question.

Tests- Every week there will be a test. Each test can be attempted twice and the best score of the two attempts will be recorded as your grade.

Final Exam (10% of graded) with 50 questions and a time limit of 45 minutes per each attempt.

## Class Participation

Students meet once a week in class and work independently on part of the assignments online.

## Online/Web-Enhanced Course Supplementary Information

The textbook is electronic, and no supplementary materials are required. However, the students can use the publisher's resources to enhance their understanding of the subject.

**Virtual Office Hours** The instructor needs to be contacted as follows:

1. Via eLearn mail at any time and the instructor will generally respond within 48 hours.
2. Office hours are by appointment only.

### Technical Support

1. WSCC IET Helpdesk: Email [helpdesk@ws.edu](mailto:helpdesk@ws.edu)
2. Cengage Technical Support <https://cengageportal.secure.force.com/>

## Academic Honesty

Faculty expect all students to refrain from acts of academic misconduct including but not limited to:

1. Plagiarism - refers to using another person's ideas or writing without giving proper credit to the original source. Indulging in this type of conduct will subject the student to disciplinary sanctions, which may be imposed through the regular institutional procedures of Walters State Community College as outlined in the Student Handbook. Plagiarism will result in a grade of "0" for the paper/exam/presentation. Student Conduct and Disciplinary Sanctions contained in the college Catalog/Student Handbook apply (see policy 04:18:02 Disciplinary Sanctions).

Plagiarism includes, but is not limited to the following:

- a. Using cut/paste tool from original document with no references given.
- b. Copying another student's work and submitting it as one's own.

- c. Forging or otherwise altering signatures.
  - d. Giving or falsifying academic documents or materials.
2. Cheating - construed as attempting to deceive or mislead which includes, but is not limited to the following:
- a. Utilizing old tests, projects, notes or written papers.
  - b. Providing unauthorized information to a fellow student about exam content.
  - c. Receiving unauthorized aid from any source with quizzes, examinations, or other assignments.
  - d. Seeking information in an unacceptable manner during/preceding an exam or other assigned work (cheat sheet, verbal exchange, looking at another person's paper or electronic device, utilizing headphones, using textbook when the test/quiz is not an open book test/quiz, using textbook test bank etc.).
  - e. Consulting with a classmate or others when taking a computerized test.
  - f. Disregarding other specific policies and procedures outlined for a particular class.
  - g. Utilizing unapproved technology/electronic equipment during testing (i.e.: mobile devices such as cell phones, smart devices, or tablets, etc.).
  - h. Using the same Internet Protocol network address (IP address) as another student for testing without approval from the course faculty.
3. The use of any generative artificial intelligence (AI) tool, such as OpenAI's ChatGPT, Google's Bard, or any other pre-trained language model (commonly referred to as "chatbot"), must be cited for any assignment where it has been used and may not be used unless specifically allowed by your instructor. Please see your instructor or the course policies within the syllabus if you have questions.

## PURPOSE, LIMITATIONS AND MODIFICATION OF SYLLABUS

This syllabus sets forth the expectations for the course content, work, and grading as well as expectations for student performance and conduct. The syllabus does not constitute a contract between the student and the instructor or the College. The information contained here is subject to change at any time. The instructor reserves the right to modify this syllabus at any time with written notification to the students. Though changes are possible, it is expected that the course will be conducted as described in this syllabus for the semester/year specified in the Course Information section of the syllabus. This syllabus is only valid for the semester/year specified and course requirements are not guaranteed for future semesters.

## COURSE GROUND RULES

- Students must attend the first day of on-ground class or contact the instructor prior to the first class. Failure to do this may result in being dropped from the class. Excessive absences may substantially lower the course grade.
- Regular class attendance is a student's obligation for any course regardless of format. (See the Walters State Catalog/Student Handbook). If a student misses class, it is his or her responsibility to contact the instructor regarding missed assignments and/or activities and to be prepared for the next class assignment.
- Students enrolled in web courses must follow the course attendance policy defined for online attendance during the first week of class and throughout the term. Failure to do this may result in being dropped from the class during week one OR may result in the accrual of absences which may negatively impact the student's grade in the course.
- Students who have not paid fees on time and/or are not correctly registered for this class and whose names do not appear on official class rolls generated by the Walters State student

information system (MyWS) will not be allowed to remain in class or receive credit for this course.

- Electronic devices must not disrupt the instructional process or college-sponsored academic activity. Use of electronic devices is prohibited unless use of the device is relevant to the activity and use is sanctioned by the faculty member in charge. Electronic devices that are not relevant to the activity or sanctioned by the faculty member in charge should be set so that they will not produce an audible sound during classroom instruction or other college-sponsored academic activity.

## **FINANCIAL AID**

Students receiving any type of financial aid or scholarship should contact the Financial Aid Office before making any changes to their schedule. Schedule changes without prior approval may result in loss of award for the current term and future terms.

All forms of student Financial Aid may be jeopardized or lost due to the lack of Satisfactory Academic Progress in one or multiple courses. Lack of Satisfactory Academic Progress may negatively impact a student's degree/certificate completion pace and further jeopardize Financial Aid eligibility.

## **CANCELLATION OF CLASSES AND ACADEMIC CONTINUITY**

For information related to the cancellation of classes due to inclement weather or other events, please check the Senators Emergency Text system or the college's Web site at:

or call the college's student information line, 1-800-225-4770, option 1; the Sevier County Campus, (865) 774-5800, option 7; the Niswonger Campus (423) 798-7940, option 7; or the Claiborne County Campus, 423-636-6200, option 7. Also, please monitor local TV and radio stations for further announcements.

When an event or disaster interrupts the scheduled operations of the college and the ability to proceed with the academic course activities as planned, the college and your instructor may alter the course plan outlined in the syllabus. Should an event occur, students should refer to their course e-Learn pages and/or class materials previously delivered to receive guidance from their instructor. Students should continue to monitor the official college channels of communication listed in the above

paragraph. If you would like to sign up for the Senators Emergency Text system, please go to the following Web site:
