## Student Learning Outcomes/Objectives

- The student will demonstrate competency in the psychomotor domain consistent with that of an Advanced Emergency Medical Technician student attending Clinical II as confirmed by the clinical preceptor's evaluation.
- The student will demonstrate competency in the affective domain consistent with that of an Advanced Emergency Medical Technician student attending Clinical II as confirmed by the clinical preceptor's evaluation.
- The student will demonstrate competency in the cognitive domain consistent with that of an Advanced Emergency Medical Technician student attending Clinical II as confirmed by the clinical preceptor's evaluation.

## Instructional Approach and Methods

The instruction will include but is not limited to outside reading, lecture, student led discussion, short written assignments, and class participation. Student evaluation will include examinations, quizzes, homework assignments and class participation. Students are expected to read assignments and to come to class prepared to discuss and or take a quiz on the assigned material. Written assignments and quizzes cannot be made up. Exams can only be made up with approval of the instructor and under extraordinary circumstances.

The AEMT intern must competently pass the clinical component; pass a midterm written, a summative written, have a composite score of "C" and summative practical exam to be eligible to participate in

the state board licensure examination. Any student failing the summative written exam, practical exam, or both will constitute failure of the AEMT course. Also, not achieving a passing grade equivalent of "C" on a skill sheet or committing a critical criteria violation will result in the failure of that skill. A final "not yet competent" in clinical will result in a grade of "F" for the entire course.

## Assessment, Evaluation and Testing Procedures

There will be several exams (both skill and written) during the course of the semester. Students must have a "C" score on each written exam, pass each skill evaluation, and have a composite score of "C" to be eligible to participate in the state board licensure examination. Any student failing the summative practical exam will constitute failure of the AEMT courses. See the AEMT Student Manual Guide for a complete explanation of the grading policy.

## Class Participation

Excessive absences and/or tardiness will result in the loss of eligibility to sit for the State of Tennessee Licensure Exam. See the WSCC Handbook and the EMT Student Manual Guide for a more detailed explanation of the attendance policy. Regular class attendance is a student's obligation. (See the Walters State Catalog/Student Handbook) If for some reason a student misses class, it is his or her responsibility to see the instructor regarding missed assignments and/or activities and to be prepared for the next class. Excessive absences may substantially lower the semester grade. The college requires the instructor to keep accurate records and to report when students are not attending class.

**AEMT FINAL SKILL PRACTICAL Begins at promptly at scheduled time; arriving late may result in a grade of "F" for the summative practical.**

WALTERS STATE SUMMATIVE AEMT PRACTICAL EXAMINATION POLICIES:

Testing will be conducted in accordance with the State of Tennessee EMS rules and regulations and National education standards. Evaluation sheets used to determine student practical performance will

be become a part of the student's academic record.

#### Eligibility

1. A student must have received a grade of 'C' or better and been ranked as competent during clinical rotations.
2. A student must have a complete file with all state required documents.
3. The student must have paid all fees relative to testing (NREMT and TDH-EMS fees).
4. Every eligible student must attend the examination orientation prior to the examination.

#### Examination Scheduling

1. A student must attend the examination on the scheduled date and time.
2. A student arriving late on test day will not be allowed to test. The test site coordinator may make allowances for extenuating circumstances.
3. All examinations shall be conducted at the Public Safety Center at Morristown Campus unless otherwise specified.

#### Examination Process

1. Once the examination is started, no student is permitted to leave the room without proper permission from the test site coordinator.
2. If any student is found engaging in any kind of inappropriate behavior during the examination that student will be dismissed from the examination.
3. No student shall have any electronic device at the testing site.
4. The student will not be eligible for retest if the student fails the final summative practical.

#### Grievance Process

1. Any student believing, he or she has been a victim of discrimination or experiencing equipment failure may file a grievance.
2. Each student must file the grievance in writing and present it to the examination coordinator.

The disposition relative to the grievance will be decided by the Grievance Committee.

## Academic Honesty

Faculty expect all students to refrain from acts of academic misconduct including but not limited to:

1. Plagiarism - refers to using another person's ideas or writing without giving proper credit to the original source. Indulging in this type of conduct will subject the student to disciplinary

sanctions, which may be imposed through the regular institutional procedures of Walters State Community College as outlined in the Student Handbook. Plagiarism will result in a grade of "0" for the paper/exam/presentation. Student Conduct and Disciplinary Sanctions contained in the college Catalog/Student Handbook apply (see policy 04:18:02 Disciplinary Sanctions).

Plagiarism includes, but is not limited to the following:

- a. Using cut/paste tool from original document with no references given.
  - b. Copying another student's work and submitting it as one's own.
  - c. Forging or otherwise altering signatures.
  - d. Giving or falsifying academic documents or materials.
2. Cheating - construed as attempting to deceive or mislead which includes, but is not limited to the following:
  - a. Utilizing old tests, projects, notes or written papers.
  - b. Providing unauthorized information to a fellow student about exam content.
  - c. Receiving unauthorized aid from any source with quizzes, examinations, or other assignments.
  - d. Seeking information in an unacceptable manner during/preceding an exam or other assigned work (cheat sheet, verbal exchange, looking at another person's paper or electronic device, utilizing headphones, using textbook when the test/quiz is not an open book test/quiz, using textbook test bank etc.).
  - e. Consulting with a classmate or others when taking a computerized test.
  - f. Disregarding other specific policies and procedures outlined for a particular class.
  - g. Utilizing unapproved technology/electronic equipment during testing (i.e.: mobile devices such as cell phones, smart devices, or tablets, etc.).
  - h. Using the same Internet Protocol network address (IP address) as another student for testing without approval from the course faculty.
3. The use of any generative artificial intelligence (AI) tool, such as OpenAI's ChatGPT, Google's Bard, or any other pre-trained language model (commonly referred to as "chatbot"), must be cited for any assignment where it has been used and may not be used unless specifically allowed by your instructor. Please see your instructor or the course policies within the syllabus if you have questions.

## College Policies

### STUDENTS HANDBOOK AS OFFICIAL GOVERNING DOCUMENT

This class is governed by the policies and procedures stated in the current Walters State Community College Student Handbook. All students attending Walters State Community College, regardless of the time, location, or format of the class, must abide by the rules and regulations outlined in the current Walters State Catalog/Student Handbook and the current Walters State Timetable of Classes.

[Walters State Catalog \(opens in new window\)](https://catalog.ws.edu/)  
[catalog.ws.edu/](https://catalog.ws.edu/)

[Walters State Timetable of Classes \(opens in new window\)](https://ws.edu/admissions/registration/)  
[ws.edu/admissions/registration/](https://ws.edu/admissions/registration/)

### PURPOSE, LIMITATIONS AND MODIFICATION OF SYLLABUS

This syllabus sets forth the expectations for the course content, work, and grading as well as expectations for student performance and conduct. The syllabus does not constitute a contract between the student and the instructor or the College. The information contained here is subject to change at any time. The instructor reserves the right to modify this syllabus at any time with written notification to the students. Though changes are possible, it is expected that the course will be conducted as described in this syllabus for the semester/year specified in the Course Information section of the syllabus. This syllabus is only valid for the semester/year specified and course requirements are not guaranteed for future semesters.

### COURSE GROUND RULES

- Students must attend the first day of on-ground class or contact the instructor prior to the first class. Failure to do this may result in being dropped from the class. Excessive absences may substantially lower the course grade.
- Regular class attendance is a student's obligation for any course regardless of format. (See the Walters State Catalog/Student Handbook). If a student misses class, it is his or her

responsibility to contact the instructor regarding missed assignments and/or activities and to be prepared for the next class assignment.

- Students enrolled in web courses must follow the course attendance policy defined for online attendance during the first week of class and throughout the term. Failure to do this may result in being dropped from the class during week one OR may result in the accrual of absences which may negatively impact the student's grade in the course.
- Students who have not paid fees on time and/or are not correctly registered for this class and whose names do not appear on official class rolls generated by the Walters State student information system (MyWS) will not be allowed to remain in class or receive credit for this course.
- Electronic devices must not disrupt the instructional process or college-sponsored academic activity. Use of electronic devices is prohibited unless use of the device is relevant to the activity and use is sanctioned by the faculty member in charge. Electronic devices that are not relevant to the activity or sanctioned by the faculty member in charge should be set so that they will not produce an audible sound during classroom instruction or other college-sponsored academic activity.

## **FINANCIAL AID**

Students receiving any type of financial aid or scholarship should contact the Financial Aid Office before making any changes to their schedule. Schedule changes without prior approval may result in loss of award for the current term and future terms.

All forms of student Financial Aid may be jeopardized or lost due to the lack of Satisfactory Academic Progress in one or multiple courses. Lack of Satisfactory Academic Progress may negatively impact a student's degree/certificate completion pace and further jeopardize Financial Aid eligibility.

## **CANCELLATION OF CLASSES AND ACADEMIC CONTINUITY**

For information related to the cancellation of classes due to inclement weather or other events, please check the Senators Emergency Text system or the college's Web site at:
