Supplemental or Optional Materials

Students are expected to furnish an instrument in good playing condition. Percussionists will utilize instruments provided by our host institution, and SCHS for performances. Please treat with respect. Students should be prepared with a pencil and metronome-tuner for each class.

Student Learning Outcomes/Objectives

- The course can be repeated for credit in subsequent semesters. Participation is encouraged during your tenure at WSCC.
- Students will rehearse and perform publicly a variety of standard wind band literature. Music will be 2.5 - 5 level literature choices.

Literature will be in the form of concert marches, lyrical selections, programmatic pieces, overtures and other varied repertoire which will vary by semester and instrumentation.

- Students will demonstrate proficiency on four to nine pieces for public performance each semester.

Instructional Approach and Methods

This is a performance based course therefore one will be earning a portion of their grade based off their performance within each class and given playing quizzes that are REQUIRED.

We will utilize full group instruction as well as small group instruction as needed.

If you need additional help then please ask and the instructor will be glad to assist you.

Assessment, Evaluation and Testing Procedures

Students will be assessed in the following areas:

Attendance at each rehearsal (class) (students will get two excused absences for the semester prior to receiving a grade reduction of ONE letter grade per absence beyond the initial two allowed. Tardies and

leave earlies will be treated like any other absence. You cannot earn a grade when you aren't present to participate.

Ability to perform the literature requested (playing tests will be assigned)

Playing quizzes will be allowed to be recorded and not live in class.

Grading Scale

| | |
|---|--------|
| A | 100-90 |
| B | 89-81 |
| C | 80-71 |
| D | 70-61 |
| F | 60-0 |

Assignments

You will be REQUIRED to record 4 playing assignments over the semester at the request of the instructor.

You will be REQUIRED to record 8 (B flat, E flat, A Flat, D flat, C, F, G) and chromatic ONE octave at the request of the instructor.

ALL assignments are to be recorded (audio only) and sent via email.

Class Participation

Students will participate for the entire duration of the scheduled class (6pm - 8pm on Mondays). Leaving early is not acceptable. We meet one time per week so your attendance is vital to your personal success and growth as a musician. Using a cell phone or smart watch throughout class will reduce one's ability to fully participate in the class and thus notice a reduction in the overall grade one can achieve. A tuner app on a cell phone is acceptable and encouraged.

Written communication is expected to tombone@earthlink.net + john.lundberg@ws.edu to communicate in advance of an absence.

Course and Class Policies/Procedures

If students miss a rehearsal, it is the student's responsibility to communicate via email prior to 4 PM upon the day the class meets. EMAIL is the expected manner in which to communicate. Once a student misses more than two absences, a grade deduction of one letter grade will occur. This is a performance based class and it is essential to be at all rehearsals as we have a limited rehearsal schedule.

Online/Web-Enhanced Course Supplementary Information

Since this is a performance - based course which depends on active rehearsal participation, we would typically not substitute live interaction with online/web-based activity. Many of the pieces that we rehearse and perform are available for listening study, however. One resource is jwpepper.com under band / concert band. Other listening sources could be available: ask the instructor if you need help locating a suitable recording of the material(s) which we are rehearsing.

Additional Course Requirements/Details/Information

The Fall Semester Concert is Monday, November 27th in the evening, call time TBA. Call time is typically one hour prior to performance, so a 7pm concert would require a 6pm call time. This performance is on the final Monday of the semester and will be the 'final exam' for the course. Attendance is required. Students will turn in music folders at the conclusion of the performance. There will be no course activities during the final exam week.

This concert will tentatively be held at First Baptist Church, Pigeon Forge.

The band will also play for Veterans Day, on Friday November 10th 10:30AM - 11AM outdoors at Sevier County Courthouse. In the event of inclement weather we will relocate to the county commission meeting room inside the courthouse.

COURSE GROUND RULES

- Regular class attendance is a student's obligation for any course regardless of format. (See the Walters State Catalog/Student Handbook). If a student misses class, it is his or her responsibility to contact the instructor regarding missed assignments and/or activities and to be prepared for the next class assignment.
- Students enrolled in web courses must follow the course attendance policy defined for online attendance during the first week of class and throughout the term. Failure to do this may result in being dropped from the class during week one OR may result in the accrual of absences which may negatively impact the student's grade in the course.
- Students who have not paid fees on time and/or are not correctly registered for this class and whose names do not appear on official class rolls generated by the Walters State student

information system (MyWS) will not be allowed to remain in class or receive credit for this course.

Electronic devices that are not relevant to the activity or sanctioned by the faculty member in charge should be set so that they will not produce an audible sound during classroom instruction or other college-sponsored academic activity.

FINANCIAL AID

Students receiving any type of financial aid or scholarship should contact the Financial Aid Office before making any changes to their schedule. Schedule changes without prior approval may result in loss of award for the current term and future terms.

All forms of student Financial Aid may be jeopardized or lost due to the lack of Satisfactory Academic Progress in one or multiple courses. Lack of Satisfactory Academic Progress may negatively impact a student's degree/certificate completion pace and further jeopardize Financial Aid eligibility.
