Juries midterm and final

Recital, master class

Accompanist: Students are required to provide a copy of each piece assigned to them to their accompanist within one week of the piece being assigned.

Masterclasses: Attendance of all masterclasses presented by the voice department during the semester is mandatory. If a student has a special circumstance that will not allow them to attend a masterclass, they must contact their instructor immediately.

Juries: Juries serve as the final exam for individual instruction courses. The student will be called in front of the music faculty to perform selections from the semester's repertory. To prepare for juries, the final lesson of the semester will be a "pre-jury" lesson where the student will perform all assigned pieces for the instructor from memory as they would in the actual jury. The final jury each semester will be a studio recital.

Midterm Juries: Midterm juries serve as the midterm exam for this individual instruction course. Like the "pre-jury" the midterm jury allows the student to perform as they would in the actual jury. Requirements for midterm juries are to perform approximately half of the semester's literature from memory.

Grading Scale

A	90-100
B	80-89
C	70-79
D	60-69
F	0-59

Assignments

Lessons: Each lesson will be graded on the student's preparedness and improvement for a total of ten points per lesson. Preparedness and improvement will be benchmarked as such:

1. Preparedness of music learned. (4 points)
2. Preparedness of memorization. (3 points)
3. Preparedness on required research of origin of lyrics, composer, and/or translations. (3 points)

1/2 hour lessons - minimum 3 songs from memory, at least 1 foreign language

1 hour lessons - minimum 5 songs from memory, at least 2 foreign language

Juries required - 1 song for 1/2 hour, 2 songs for 1 hour

Students may be invited to perform in an Honors Recital in the spring.

Class Participation

Students are expected to be present and prepared at individual lesson time. **Participation and attendance are essential for individualized music instruction**

Attendance: Students are expected to participate in 15 lessons per semester. Students must notify their instructor at least 30 minutes before their assigned lesson time via text, phone call, or eLearn if they will be missing their lesson. Absences without prior notification will result in a "0" for that lesson grade. Absences with prior notification may or may not be considered excused, and may or may not be made-up, at the discretion of the instructor.

Course and Class Policies/Procedures

Student and instructor will work out time slot for lessons.

Practice: Students registered for 1 credit hour (30 minute lesson) must practice a minimum of three (3) hours each week, at least half of which should be in the provided practice rooms. Students registered for 2 credit hours (50 minute lesson) must practice a minimum of six (6) hours each week, at least half of which should be in the provided practice rooms. Sign-up sheets for practice rooms will be available the first week of the semester. This is a **minimum** practice requirement. Once a piece is introduced in lessons, students are responsible for learning music on their own outside of lesson time.

The instructor reserves the right to modify this syllabus at any time with written notification to the students. This syllabus is only valid for the semester/year specified and course requirements are not guaranteed for future semesters.

COURSE GROUND RULES

- Students must attend the first day of on-ground class or contact the instructor prior to the first class. Failure to do this may result in being dropped from the class. Excessive absences may substantially lower the course grade.
- Regular class attendance is a student's obligation for any course regardless of format. (See the Walters State Catalog/Student Handbook). If a student misses class, it is his or her responsibility to contact the instructor regarding missed assignments and/or activities and to be prepared for the next class assignment.
- Students enrolled in web courses must follow the course attendance policy defined for online attendance during the first week of class and throughout the term. Failure to do this may result

in being dropped from the class during week one OR may result in the accrual of absences which may negatively impact the student's grade in the course.

- Students who have not paid fees on time and/or are not correctly registered for this class and whose names do not appear on official class rolls generated by the Walters State student information system (MyWS) will not be allowed to remain in class or receive credit for this course.

Use of electronic devices is prohibited unless use of the device is relevant to the activity and use is sanctioned by the faculty member in charge. Electronic devices that are not relevant to the activity or sanctioned by the faculty member in charge should be set so that they will not produce an audible sound during classroom instruction or other college-sponsored academic activity.

FINANCIAL AID

Students receiving any type of financial aid or scholarship should contact the Financial Aid Office before making any changes to their schedule. Schedule changes without prior approval may result in loss of award for the current term and future terms.

All forms of student Financial Aid may be jeopardized or lost due to the lack of Satisfactory Academic Progress in one or multiple courses. Lack of Satisfactory Academic Progress may negatively impact a student's degree/certificate completion pace and further jeopardize Financial Aid eligibility.
