Student Learning Outcomes/Objectives

- The student will display competency in the psychomotor domain consistent with that of a TRAINED PRECEPTOR conducting Clinical I as confirmed by the clinical preceptor's evaluation.
- The student will display competency in the affective domain consistent with that of a TRAINED PRECEPTOR conducting Clinical I as confirmed by the clinical preceptor's evaluation.
- The student will display competency in the cognitive domain consistent with that of a TRAINED PRECEPTOR conducting Clinical I as confirmed by the clinical preceptor's evaluation.

Instructional Approach and Methods

Instruction shall be facilitated by the use of class lectures, audio-visual aids, demonstrations, self-instruction, assigned textbook readings, handouts, lecture notes, and problem-based/scenario learning methods.

Assessment, Evaluation and Testing Procedures

The evaluation method correlates with the stated policies in the WSCC Paramedic Program Course Manual. The Paramedic Program incorporates a mastery learning component for its courses. The contents of which are noted below.

Grading Scale

A	91-100
B	81-90
C	70-80
D	63-69
F	Below 63

Assignments

All assigned clinical shifts must be complete by the end of the fall semester. If the assigned clinical shifts are not, complete this will result in an F grade and the student will not be able to continue into the next course.

Class Participation

Class attendance is mandatory for all classes of the WSCC Paramedic Program. In the event that the student becomes ill or is unable to attend class, it is their responsibility to notify the instructor. Any student having two unexcused absences in a semester will have his/her overall grade average reduced by 10 percent at the end of the semester. If a student has a third unexcused absence, he/she will be dismissed from the WSCC Paramedic Program for a period of one year and will have to go through the entire application process over again. Any student missing more than three days in a semester, whether excused or unexcused, will be given a 10% reduction in their grade at the end of the semester. Any student missing more than five class sessions in a semester, whether excused or unexcused, will be dismissed from the program for a period of one year and will have to go through the entire application process over again. The WSCC Paramedic Program staff will be responsible for deciding whether an absence is excused or unexcused. Tardiness will not be tolerated. Being tardy three times will equal one unexcused absence.

Academic Honesty

Faculty expect all students to refrain from acts of academic misconduct including but not limited to:

1. Plagiarism - refers to using another person's ideas or writing without giving proper credit to the original source. Indulging in this type of conduct will subject the student to disciplinary sanctions, which may be imposed through the regular institutional procedures of Walters State Community College as outlined in the Student Handbook. Plagiarism will result in a grade of "0" for the paper/exam/presentation. Student Conduct and Disciplinary Sanctions contained in the

college Catalog/Student Handbook apply (see policy 04:18:02 Disciplinary Sanctions).

Plagiarism includes, but is not limited to the following:

- a. Using cut/paste tool from original document with no references given.
 - b. Copying another student's work and submitting it as one's own.
 - c. Forging or otherwise altering signatures.
 - d. Giving or falsifying academic documents or materials.
2. Cheating - construed as attempting to deceive or mislead which includes, but is not limited to the following:
- a. Utilizing old tests, projects, notes or written papers.
 - b. Providing unauthorized information to a fellow student about exam content.
 - c. Receiving unauthorized aid from any source with quizzes, examinations, or other assignments.
 - d. Seeking information in an unacceptable manner during/preceding an exam or other assigned work (cheat sheet, verbal exchange, looking at another person's paper or electronic device, utilizing headphones, using textbook when the test/quiz is not an open book test/quiz, using textbook test bank etc.).
 - e. Consulting with a classmate or others when taking a computerized test.
 - f. Disregarding other specific policies and procedures outlined for a particular class.
 - g. Utilizing unapproved technology/electronic equipment during testing (i.e.: mobile devices such as cell phones, smart devices, or tablets, etc.).
 - h. Using the same Internet Protocol network address (IP address) as another student for testing without approval from the course faculty.
3. The use of any generative artificial intelligence (AI) tool, such as OpenAI's ChatGPT, Google's Bard, or any other pre-trained language model (commonly referred to as "chatbot"), must be cited for any assignment where it has been used and may not be used unless specifically allowed by your instructor. Please see your instructor or the course policies within the syllabus if you have questions.

PURPOSE, LIMITATIONS AND MODIFICATION OF SYLLABUS

This syllabus sets forth the expectations for the course content, work, and grading as well as expectations for student performance and conduct. The syllabus does not constitute a contract between the student and the instructor or the College. The information contained here is subject to change at any time. The instructor reserves the right to modify this syllabus at any time with written notification to the students. Though changes are possible, it is expected that the course will be conducted as described in this syllabus for the semester/year specified in the Course Information section of the syllabus. This syllabus is only valid for the semester/year specified and course requirements are not guaranteed for future semesters.

COURSE GROUND RULES

- Students must attend the first day of on-ground class or contact the instructor prior to the first class. Failure to do this may result in being dropped from the class. Excessive absences may substantially lower the course grade.
- Regular class attendance is a student's obligation for any course regardless of format. (See the Walters State Catalog/Student Handbook). If a student misses class, it is his or her responsibility to contact the instructor regarding missed assignments and/or activities and to be prepared for the next class assignment.
- Students enrolled in web courses must follow the course attendance policy defined for online attendance during the first week of class and throughout the term. Failure to do this may result

in being dropped from the class during week one OR may result in the accrual of absences which may negatively impact the student's grade in the course.

- Students who have not paid fees on time and/or are not correctly registered for this class and whose names do not appear on official class rolls generated by the Walters State student information system (MyWS) will not be allowed to remain in class or receive credit for this course.
- Electronic devices must not disrupt the instructional process or college-sponsored academic activity. Use of electronic devices is prohibited unless use of the device is relevant to the activity and use is sanctioned by the faculty member in charge. Electronic devices that are not relevant to the activity or sanctioned by the faculty member in charge should be set so that they will not produce an audible sound during classroom instruction or other college-sponsored academic activity.

FINANCIAL AID

Students receiving any type of financial aid or scholarship should contact the Financial Aid Office before making any changes to their schedule. Schedule changes without prior approval may result in loss of award for the current term and future terms.

All forms of student Financial Aid may be jeopardized or lost due to the lack of Satisfactory Academic Progress in one or multiple courses. Lack of Satisfactory Academic Progress may negatively impact a student's degree/certificate completion pace and further jeopardize Financial Aid eligibility.

CANCELLATION OF CLASSES AND ACADEMIC CONTINUITY
