Student Learning Outcomes/Objectives

- Students will be able to:
 1. Understand, explain, design, and create a computer-based project in either an individual or team-based scenario.
 2. Present and defend the outcomes of the computer-based or in-person project.

Instructional Approach and Methods

This course is 100% online and does not meet in-person. Instructional methods may include course text, labs, simulations, videos, and written instructions. This course is **NOT** self-paced. Students must complete assigned items by the posted due date. Online content will include various topics and platforms. Instructions for accessing will be provided by the instructor when needed.

Grading Scale

A	90-100%
B	80-89%
C	70-79%
D	60-69%
F	0-59%

Class Participation

Class Participation

Class topics, assignments, and some assessments are scheduled and submitted online per the method instructed. It is the student's responsibility to review the course schedule and determine the items that must be completed each week. It is also the student's responsibility to verify that all assignments and quizzes did get submitted properly.

Attendance

Student attendance is recorded by submission of graded items. A student must make at least one submission of a graded item each week to be counted as attending for the week.

Students must submit at least one graded item by 5pm on Thursday of the 1st week of classes to be counted as attending the first day of class for the purposes of Financial Aid Attendance Reporting. Failing to do so may result in being dropped from the course. Any student that expects challenges accomplishing this should contact the instructor, Student Support Services, and the Financial Aid office to discuss possible problems.

Regular class attendance is a student's obligation for any course regardless of format. (See the [Walters State Catalog/Student Handbook](#)). It is a student's responsibility to review course items and to understand and comply with due dates. Excessive absences may substantially lower the semester

grade. The college requires the instructor to keep accurate records and to report when students are not attending class. This includes courses that are 100% online.

Emergencies that result in excused absences, by no means, excuse the student of any responsibilities for material covered during the absence. In the event of excused absence, it is the student's responsibility to catch up with missing material as well as homework. There will be no make-up tests for unexcused absences. If any make-up test is given, it may be different from the regular test in content as well as format.

Students with excused absences must complete all make-up work within (7) days. Exceptions to this rule must be discussed with and cleared by the instructor BEFORE the deadline. Examples of excused absences include, but are not limited to, personal illness, illness of a spouse, child, or close family member, bereavement, military reserves duties. Documentation is required in all cases. Faculty are not obligated to allow students to make up work missed due to unexcused absences.

Students enrolled in web courses must follow the course attendance policy defined for online attendance during the first week of class and throughout the term. Failure to do this may result in being dropped from the class during week one OR may result in the accrual of absences which may negatively impact the student's grade in the course.

Plagiarism, cheating, and other forms of academic dishonesty are prohibited. The minimum penalty for cheating is a "0" (zero) on the examination or assignment. Academic dishonesty may result in an "F" for the course. Additional information can be found in the WSCC Catalog/Student Handbook.

Inclement weather

If classes are cancelled due to inclement weather or other reason, the course will continue as scheduled in an online format.

Academic Honesty

Faculty expect all students to refrain from acts of academic misconduct including but not limited to:

1. Plagiarism - refers to using another person's ideas or writing without giving proper credit to the original source. Indulging in this type of conduct will subject the student to disciplinary sanctions, which may be imposed through the regular institutional procedures of Walters State Community College as outlined in the Student Handbook. Plagiarism will result in a grade of "0" for the paper/exam/presentation. Student Conduct and Disciplinary Sanctions contained in the college Catalog/Student Handbook apply (see policy 04:18:02 Disciplinary Sanctions).

Plagiarism includes, but is not limited to the following:

- a. Using cut/paste tool from original document with no references given.
- b. Copying another student's work and submitting it as one's own.

- c. Forging or otherwise altering signatures.
 - d. Giving or falsifying academic documents or materials.
2. Cheating - construed as attempting to deceive or mislead which includes, but is not limited to the following:
- a. Utilizing old tests, projects, notes or written papers.
 - b. Providing unauthorized information to a fellow student about exam content.
 - c. Receiving unauthorized aid from any source with quizzes, examinations, or other assignments.
 - d. Seeking information in an unacceptable manner during/preceding an exam or other assigned work (cheat sheet, verbal exchange, looking at another person's paper or electronic device, utilizing headphones, using textbook when the test/quiz is not an open book test/quiz, using textbook test bank etc.).
 - e. Consulting with a classmate or others when taking a computerized test.
 - f. Disregarding other specific policies and procedures outlined for a particular class.
 - g. Utilizing unapproved technology/electronic equipment during testing (i.e.: mobile devices such as cell phones, smart devices, or tablets, etc.).
 - h. Using the same Internet Protocol network address (IP address) as another student for testing without approval from the course faculty.
3. The use of any generative artificial intelligence (AI) tool, such as OpenAI's ChatGPT, Google's Bard, or any other pre-trained language model (commonly referred to as "chatbot"), must be cited for any assignment where it has been used and may not be used unless specifically allowed by your instructor. Please see your instructor or the course policies within the syllabus if you have questions.

PURPOSE, LIMITATIONS AND MODIFICATION OF SYLLABUS

This syllabus sets forth the expectations for the course content, work, and grading as well as expectations for student performance and conduct. The syllabus does not constitute a contract between the student and the instructor or the College. The information contained here is subject to change at any time. The instructor reserves the right to modify this syllabus at any time with written notification to the students. Though changes are possible, it is expected that the course will be conducted as described in this syllabus for the semester/year specified in the Course Information section of the syllabus. This syllabus is only valid for the semester/year specified and course requirements are not guaranteed for future semesters.

COURSE GROUND RULES

- Students must attend the first day of on-ground class or contact the instructor prior to the first class. Failure to do this may result in being dropped from the class. Excessive absences may substantially lower the course grade.
- Regular class attendance is a student's obligation for any course regardless of format. (See the Walters State Catalog/Student Handbook). If a student misses class, it is his or her responsibility to contact the instructor regarding missed assignments and/or activities and to be prepared for the next class assignment.
- Students enrolled in web courses must follow the course attendance policy defined for online attendance during the first week of class and throughout the term. Failure to do this may result in being dropped from the class during week one OR may result in the accrual of absences which may negatively impact the student's grade in the course.
- Students who have not paid fees on time and/or are not correctly registered for this class and whose names do not appear on official class rolls generated by the Walters State student

information system (MyWS) will not be allowed to remain in class or receive credit for this course.

- Electronic devices must not disrupt the instructional process or college-sponsored academic activity. Use of electronic devices is prohibited unless use of the device is relevant to the activity and use is sanctioned by the faculty member in charge. Electronic devices that are not relevant to the activity or sanctioned by the faculty member in charge should be set so that they will not produce an audible sound during classroom instruction or other college-sponsored academic activity.

FINANCIAL AID

Students receiving any type of financial aid or scholarship should contact the Financial Aid Office before making any changes to their schedule. Schedule changes without prior approval may result in loss of award for the current term and future terms.

All forms of student Financial Aid may be jeopardized or lost due to the lack of Satisfactory Academic Progress in one or multiple courses. Lack of Satisfactory Academic Progress may negatively impact a student's degree/certificate completion pace and further jeopardize Financial Aid eligibility.

CANCELLATION OF CLASSES AND ACADEMIC CONTINUITY
