5. Syllabus quiz: each student will be required to take a quiz over the syllabus. This is an online quiz. Please see calendar for due date.

6. HESI Evolve Practice Assignment Tests

Each student must also complete required Maternal Nursing HESI practice exam with a grade of 78% or better by the assigned calendar date. You may retake the practice exam multiple times.

## Class Participation

1. Attendance

Attendance at classes and other official appointments is required. Attendance is recorded and absences are counted from the first scheduled meeting of the class. An explanation for the cause of all absences should be given to each instructor. If possible, students should inform their instructor in advance of planned absences. Punctuality is expected for each lecture. When a student is unable to attend class for unforeseen reasons, it is the student's responsibility to notify the appropriate instructor for assistance in obtaining information, handouts, etc. for the missed content.

## 2. Exam Analysis

There will be a silent exam analysis following exams I, II, and III. If a student is unsuccessful on exams 1-3 an appointment will be made with the academic advisor within 1 week of the posting of exam grades to discuss test-taking strategies. Please refer to the Student Handbook for specific testing policies.

## 3. Absences on Exam Day

If a student is absent on the day of an exam, the student must notify faculty via phone or contact the Health Programs Division (423-585-6981) at least 30 minutes prior to testing. (Refer to Student Handbook for guidelines).

It is the student's responsibility to contact the faculty advisor within one week to schedule a make-up exam. Failure to take a make-up exam as scheduled will result in a zero (0) grade for that exam. The format of makeup exams is at the discretion of the faculty.

# Course and Class Policies/Procedures

## Testing Procedures:

The Grading/Exam Policy is located in the current nursing handbook.

Each student must complete the required exams, required exam reviews, assigned case studies, Evolve assignments, and proctored HESI exam prior to receiving a grade for the semester. Failure to complete the assigned testing, reviews, case studies, and project by the scheduled deadlines will result in an Incomplete "I" for the course. The student must complete all required items to remove the "I" and receive the appropriate grade.

1. Computerized Exams: There will be three (3) unit exams, and one (1) comprehensive final exam developed by faculty. Dosage calculation and pharmacologic knowledge will be an integral part of the examinations. Nullification of exam questions determined to be statistically invalid may occur. Students not scoring 78% on an exam must contact their advisor within 24 hours exam grade is posted. After one (1) week, all grades are final. A minimum of 78% is required for the student to progress to the next nursing course. Failure to see advisor and complete Student Success form may result in an incomplete for the course.
2. Students will take a HESI Maternity Exam. The exam will be worth **20 points**.
3. PLEASE NOTE:

See Handbook- Grading/ Test Policies See Handbook- Grading/ Test Policies

No caps, hats, and sunglasses during the examinations. Students may wear foam earplugs during testing. The exception will be for the HESI exam in which approved headphones, earbuds or earphones will be allowed. The only question allowed during the exams is questioning a typo. All belongings must be placed in the front of the room. If a student wears a jacket but is not wearing the jacket during the exam, the jacket MUST remain with the belongings at the front of the room. Only calculators and pencils provided by the faculty are permissible. Students must turn cell phones off during exams. Once the student turns in their exam, they must exit the classroom until the exam analysis begins.

4. In the event that the school is closed and remote online testing is needed, see remote online testing guidelines in the student handbook.

## Other Requirements: Program Specific Policies

1. Students will comply with the WSCC Department of Nursing Handbook and the WSCC Catalog for pertinent policies and procedures.
2. Student is responsible for keeping Health Program files complete to begin NRS 1320 (completed physical with immunizations, BLS card, photograph, signed permission sheets and proof of malpractice insurance). Failure to comply may result in removal from the course.
3. Students are required to attend the first day of class or contact the course coordinator prior to the first class. Failure to do this will result in removal from the class.

4. Background checks and drug screens are required for most clinical sites. It is the responsibility of the student to provide the requested information and submit the background check and drug screen as directed prior to orientation at the clinical site. Failure to do so will result in removal from the class. Additional information may be found in the current WSCC Catalog and Nursing Student Handbook.

5. Visual aids selected by the instructor to present class lectures may be posted on eLearn for students to access. Placing visual aid (slides, PowerPoint, overhead, etc.) on eLearn is at the discretion of the individual instructor. The instructor will provide no paper copies.

6. Professional and ethical behavior is expected within the classroom setting as well as the clinical setting. The nursing student will demonstrate respect of peers and faculty in all situations, will demonstrate accountability for all actions, will actively participate in and accept responsibility for learning, will demonstrate dependability and timeliness, and will maintain an acceptable level of personal appearance.

## Online/Web-Enhanced Course Supplementary Information

### HESI Evolve Case Studies

Online Evolve case studies are recommended as a study resource. They are not required in this course.

## Academic Program Standards/Policies/Accreditation Information

The WSCC nursing program is accredited by the Accreditation Commission for Education in Nursing (ACEN). See handbook for more information.

## Academic Honesty

Faculty expect all students to refrain from acts of academic misconduct including but not limited to:

1. Plagiarism - refers to using another person's ideas or writing without giving proper credit to the original source. Indulging in this type of conduct will subject the student to disciplinary sanctions, which may be imposed through the regular institutional procedures of Walters State Community College as outlined in the Student Handbook. Plagiarism will result in a grade of "0"

for the paper/exam/presentation. Student Conduct and Disciplinary Sanctions contained in the college Catalog/Student Handbook apply (see policy 04:18:02 Disciplinary Sanctions).

Plagiarism includes, but is not limited to the following:

- a. Using cut/paste tool from original document with no references given.
  - b. Copying another student's work and submitting it as one's own.
  - c. Forging or otherwise altering signatures.
  - d. Giving or falsifying academic documents or materials.
2. Cheating - construed as attempting to deceive or mislead which includes, but is not limited to the following:
  - a. Utilizing old tests, projects, notes or written papers.
  - b. Providing unauthorized information to a fellow student about exam content.
  - c. Receiving unauthorized aid from any source with quizzes, examinations, or other assignments.
  - d. Seeking information in an unacceptable manner during/preceding an exam or other assigned work (cheat sheet, verbal exchange, looking at another person's paper or electronic device, utilizing headphones, using textbook when the test/quiz is not an open book test/quiz, using textbook test bank etc.).
  - e. Consulting with a classmate or others when taking a computerized test.
  - f. Disregarding other specific policies and procedures outlined for a particular class.
  - g. Utilizing unapproved technology/electronic equipment during testing (i.e.: mobile devices such as cell phones, smart devices, or tablets, etc.).
  - h. Using the same Internet Protocol network address (IP address) as another student for testing without approval from the course faculty.
3. The use of any generative artificial intelligence (AI) tool, such as OpenAI's ChatGPT, Google's Bard, or any other pre-trained language model (commonly referred to as "chatbot"), must be cited for any assignment where it has been used and may not be used unless specifically allowed by your instructor. Please see your instructor or the course policies within the syllabus if you have questions.

## College Policies

### STUDENTS HANDBOOK AS OFFICIAL GOVERNING DOCUMENT

This class is governed by the policies and procedures stated in the current Walters State Community College Student Handbook. All students attending Walters State Community College, regardless of the time, location, or format of the class, must abide by the rules and regulations outlined in the current Walters State Catalog/Student Handbook and the current Walters State Timetable of Classes.

[Walters State Catalog \(opens in new window\)](http://catalog.ws.edu/)  
[catalog.ws.edu/](http://catalog.ws.edu/)

[Walters State Timetable of Classes \(opens in new window\)](http://ws.edu/admissions/registration/)

### PURPOSE, LIMITATIONS AND MODIFICATION OF SYLLABUS

This syllabus sets forth the expectations for the course content, work, and grading as well as expectations for student performance and conduct. The syllabus does not constitute a contract between the student and the instructor or the College. The information contained here is subject to change at any time. The instructor reserves the right to modify this syllabus at any time with written notification to the students. Though changes are possible, it is expected that the course will be conducted as described in this syllabus for the semester/year specified in the Course Information section of the syllabus. This syllabus is only valid for the semester/year specified and course requirements are not guaranteed for future semesters.

### COURSE GROUND RULES

- Students must attend the first day of on-ground class or contact the instructor prior to the first class. Failure to do this may result in being dropped from the class. Excessive absences may substantially lower the course grade.
- Regular class attendance is a student's obligation for any course regardless of format. (See the Walters State Catalog/Student Handbook). If a student misses class, it is his or her responsibility to contact the instructor regarding missed assignments and/or activities and to be prepared for the next class assignment.

- Students enrolled in web courses must follow the course attendance policy defined for online attendance during the first week of class and throughout the term. Failure to do this may result in being dropped from the class during week one OR may result in the accrual of absences which may negatively impact the student's grade in the course.
- Students who have not paid fees on time and/or are not correctly registered for this class and whose names do not appear on official class rolls generated by the Walters State student information system (MyWS) will not be allowed to remain in class or receive credit for this course.
- Electronic devices must not disrupt the instructional process or college-sponsored academic activity. Use of electronic devices is prohibited unless use of the device is relevant to the activity and use is sanctioned by the faculty member in charge. Electronic devices that are not relevant to the activity or sanctioned by the faculty member in charge should be set so that they will not produce an audible sound during classroom instruction or other college-sponsored academic activity.

## **FINANCIAL AID**

Students receiving any type of financial aid or scholarship should contact the Financial Aid Office before making any changes to their schedule. Schedule changes without prior approval may result in loss of award for the current term and future terms.

All forms of student Financial Aid may be jeopardized or lost due to the lack of Satisfactory Academic Progress in one or multiple courses. Lack of Satisfactory Academic Progress may negatively impact a student's degree/certificate completion pace and further jeopardize Financial Aid eligibility.

## **CANCELLATION OF CLASSES AND ACADEMIC CONTINUITY**

For information related to the cancellation of classes due to inclement weather or other events, please check the Senators Emergency Text system or the college's Web site at:
